

# 2026 REGIONAL MATHS TOUR

## MAV IS COMING TO BENDIGO AND MOE IN MARCH 2026

- This event supports primary and secondary teachers with regionally based professional learning and networking opportunities in mathematics education.
- The VCE stream features facilitated workshops and discussions around previous exams, SACS writing starters and tips, and CAS workshops, with a dedicated focus on numeracy in secondary classrooms, including the Vocational Major.
- Primary and Secondary participants will engage with evidence informed teaching practices and deepen their expertise in knowing and teaching mathematics in context, using a range of pedagogies and strategies.
- **Bendigo:** 9am - 3.30pm, Friday 13 March 2026
- **Moe:** 9am - 3.30pm, Friday 27 March 2026
