

Support for regional teachers to attend MAV's Primary Mathematics Education Conference, Thursday 15th or Friday 16th June 2023:

To ensure more regional mathematics educators are able to access high quality professional learning, the Victorian Department of Education is funding support for 8 regional educators to attend the 2023 Primary Mathematics Education Conference.

We understand that it can be a challenge for many regional educators to attend events, due to costs of registration, when you may also incur travel related costs and CRT. This funding support makes attending more accessible.

Eligibility criteria:

To be eligible for this sponsorship you must be:

- *a current primary school teacher/leader in a Department of Education school.*
- *more than 100km from the University of Melbourne.*
- *unable to afford the registration fee.*

Department of Education is proudly sponsoring the following for each of 8 successful teachers:

- One Day registration on the day of your choice of Thursday 15th June (leaders day) OR Friday 16th June (teachers day) normally \$325 per day non-member rate
- CRT paid to the school, to the amount of \$455 plus GST.

Schools or delegates will need to cover travel and accommodation costs. Note that the event is in-person, held at the University of Melbourne. There is no virtual access.

Applications will be reviewed by a panel consisting of Department of Education and MAV representatives. Teachers will be selected based on the strength of their application. All decisions will be final and at the discretion of the panel.

To apply for this fantastic opportunity, please complete the application form on the following pages and return to jbowden@mav.vic.edu.au

Applications are due by Monday 8th May, 5pm.

Application Form:

Please complete all 4 sections:

- Section 1: School details
- Section 2: Personal details and application for support
- Section 3: Applicant declaration
- Section 4: Principal declaration **many applicants forget this part! Please do it!*
