

VCE REVISION PROGRAM 2022

MAV's popular VCE Revision Program is back again in 2022! This great value program promises to be a bundle full of useful insights and exam tips and strategies.

Self-paced and on demand from the day you register until the last day of exams. It will be your best study pal, and a revision resource that has everything you need.

WHAT'S INCLUDED?

- Watch over 3 hours of presentation videos from VCAA assessors.
- Hear where students tend to go wrong.
- Loads of common exam questions and how to solve them.
- Insights into a VCAA maths exam and how to smash it!
- The program is broken up into areas of study and sub-topics, making it easy to locate your handy resource or video.
- Test your understanding with our exam-style multiple choice quiz questions.
- Videos from TI-Nspire and Casio experts demonstrating how to maximise your use of CAS technology.
- Access to exclusive live webinars with VCAA assessors where you get the chance to ask them questions.

VCAA exam assessors, TI and CASIO expert presenters.

DETAILED REVISION NOTES

All students who register receive a comprehensive book of revision notes including:

- Tips for exam success.
- Tricky past exam questions with solutions.
- Common exam questions with solutions.

One subject for \$65
-OR-
Two subjects for \$110

'The MAV Methods Revision Program provided me with highly thorough and comprehensive notes and walk-throughs, helping me consolidate and revise what I had learnt throughout the year. I love how the presenters go through past exam questions and areas where students went wrong by breaking them down into steps that are easy to grasp. I would definitely recommend this course. It offers great advice, especially for those who want to get a high score. Really helpful.'
