The MAV is a membership driven association that provides a voice, leadership and professional support for mathematical education. Through our programs and services we aim to promote mathematics, mathematics education, and its importance to society.

We have more than 1,400 members and reach over 10,500 teachers and 950 schools across Victoria from all sectors of education. The MAV is well respected and has been an active non-profit professional association for more than 100 years.

To become an MAV member, please complete both sides of this form.

2016 EARLY CHILDHOOD MEMBERSHIP

In 2016 the MAV is developing an early childhood strategy. Early childhood centres can join the MAV for free during 2016 provided that they are willing contributors to the MAV’s early childhood strategy.

For more information, please email jbowden@mav.vic.edu.au.

PRIVACY STATEMENT

The MAV respects your privacy. We have adopted the privacy principles contained in both Commonwealth and State laws and have established clear internal guidelines about the way we gather and use your personal information. We gather this information solely to manage your membership and the services that we provide to you. We will not collect information that does not pertain to this. In order to serve the purpose of the association – valuing mathematics in society – and to improve the service we provide, MAV may use collected information for evaluation and research purposes. All collected information will be protected against loss and unauthorised use or disclosure. MAV will not disclose individual information to third parties without seeking permission first. You will always be able to request access to associated information. VER2016:1.
